SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

Edmonton Catholic Separate School District No. 7 The financial statements of presented to Alberta Education have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements, including notes, have been prepared in accordance with Canadian Public Sector Accounting Standards and follow format prescribed by Alberta Education.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility

The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

External Auditors

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chair

To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position, results of operations, remeasurement gains and losses, changes in net financial assets (debt), and cash flows for the year in accordance with Canadian Public Sector Accounting Standards.

To the Board of Trustees of Edmonton Catholic Separate School District No.7

We have audited the accompanying financial statements of Edmonton Catholic Separate School District No.7, which comprise the statement of financial position as at August 31, 2018, and the statements of operations, changes in net financial assets (net debt), remeasurement gains and losses, and cash flows and schedules of changes in accumulated surplus, capital revenue, program operations, plant operations and maintenance expenses, cash and cash equivalents and portfolio investments, capital assets, and remuneration and monetary incentives for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the [consolidated] financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Edmonton Catholic Separate School District No.7 as at August 31, 2018, and the results of its operations, changes in net financial assets (net debt), remeasurement of gains and losses, and cash flows and schedules of changes in accumulated surplus, capital revenue, program operations, plant operations, and maintenance expenses, cash and cash equivalents and portfolio investments, capital assets, and remuneration and monetary incentives for the year then ended in accordance with Canadian Public Sector Accounting Standards.

Assets under capital lease includes buildings with a total cost of \$11,805,742 (2017 - \$11,805,742) and accumulated amortization of \$708,345 (2017 - \$472,230).

Included in additions to construction in progress and buildings is a total of \$7,617,912 related to costs incurred by Alberta Education and \$44,307 incurred by Alberta Infrastruture on behalf of the District for construction of two new schools and modernization of five schools.

(1) Other Accrued Unpaid Benefits Include: Please describe Other Accrued Unpaid Benefits

Accrued unpaid benefits for the year ended August 31, 2018 includes retirement allowances of \$938,927 (2017 - \$17,400) recorded in employee future benefit liabilities (Note 8).

Benefits include the Government of Alberta portion of the current service contribution to the Alberta Teachers Pension Fund on behalf of the District. The amount included in benefits for the Superintendent is \$19,530 (2017 - \$19,342). Other benefits are comprised of premiums for dental, extended health, vision, extended disability, life insurance, Workers Compensation Board, Employment Insurance, Canada Pension Plan and Health Care Spending.

Additional information on the above expenses are available on the District's website.

August 31, 2018

1. Authority and purpose

The Edmonton Catholic Separate School District No. 7 (the "District") operates under the provisions of the *School Act*, Chapter S-3 Revised, Statutes of Alberta 2000, and through its own bylaws. The District is directed by an elected Board of Trustees.

The District receives instruction and support allocations under Education Grants Regulation (AR 120/2008). The regulation allows for the setting of conditions and use of grant monies. The District is limited on certain funding allocations and administration expenses.

2. Summary of significant accounting policies

These financial statements have been prepared in accordance with the CICA Canadian Public Sector Accounting Standards (PSAS) and accounting policies consistent with those prescribed by Alberta Education for Alberta school districts.

Budget information represents the original budget submitted to Alberta Education in June 2017, and does not reflect the amended budget, adjusted for identified circumstances relating to operating and program changes, submitted in November 2017. The Board of Trustees approved the original budget.

The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below.

i) Cash and cash equivalents

Cash and cash equivalents include cash and short-term investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. These short-term investments have an original maturity of three months or less at acquisition and are held for the purpose of meeting short-term cash commitments rather than for investing.

ii) Accounts receivable

Accounts receivable are shown net of allowance for doubtful accounts.

iii) Tangible capital assets

Certain tangible capital assets, including new school construction and major renovations (except administrative buildings and replacement of equipment and vehicles), are funded by Alberta Education when approved.

The following criteria apply:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the asset. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset.
- Buildings include land, site and leasehold improvements as well as assets under capital lease.

August 31, 2018

- Construction-in-progress is recorded as an addition to buildings at the date of substantial completion.
- Sites and buildings are written down to residual value when conditions indicate they no longer contribute to the ability of the School District to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. For supported assets, the write-downs are accounted for as reductions to Expended Deferred Capital Revenue.
- Buildings that are demolished or destroyed are written-off.
- Tangible capital assets with costs in excess of \$5,000 are capitalized.
- Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the District are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executor costs, e.g., insurance, maintenance costs, etc. The discount rate used to determine the present value of the lease payments is the lower of the District's rate for incremental borrowing or the interest rate implicit in the lease. A schedule of repayments and amount of interest on the leases is provided in Note 9.
- Provincially funded Infrastructure Maintenance Renewal (IMR) projects that improve or sustain the operating functionality of building components or land improvements and do not extend the useful life of the underlying asset are expensed when incurred.
- Tangible capital assets, including assets under capital lease, are amortized over their estimated useful lives on a straight-line basis, at the following rates:

Buildings
Vehicles
Computer Hardware & Software
Equipment
2.0% to 5%
10% to 20%
10% to 25%
10% to 20%

Construction-in-progress is not amortized. When construction-in-progress is transferred to buildings, amortization of the building commences once the building is in productive use.

iv) Deferred revenue

Deferred revenue includes contributions received for operations which have stipulations that meet the definition of a liability per *Public Sector Accounting Standard (PSAS) PS 3200- Liabilities*. These contributions are recognized by the School District once it has met all eligibility criteria to receive the contributions. When stipulations are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability.

August 31, 2018

Deferred revenue also includes contributions for capital expenditures, unexpended and expended:

Unexpended Deferred Capital Revenue

Unexpended Deferred Capital Revenue represent externally restricted supported capital funds provided for a specific capital purpose received or receivable by the District, but the related expenditure has not been made at year-end. These contributions must also have stipulations that meet the definition of a liability per *PS 3200- Liabilities*.

• Expended Deferred Capital Revenue

Expended Deferred Capital Revenue represent externally restricted supported capital funds that have been expended but have yet to be amortized over the useful life of the related capital asset. Amortization over the useful life of the related capital asset is due to certain stipulations related to the contributions that require that the District to use the asset in a prescribed manner over the life of the associated asset.

v) Employee future benefits

The District provides certain post-employment benefits including vested and non-vested benefits for certain employees pursuant to certain contracts and union agreements.

The District accrues its obligations and related costs including both vested and non-vested benefits under employee future benefit plans excluding pension benefits. Benefits primarily include retirement allowances. The benefits cost for certain groups of employees is actuarially determined using an accrued benefit method and using management's best estimate of expected termination rates, retirement rates and mortality. The discount rate used to measure obligations is based on investment bond rates.

The cumulative unrecognized actuarial gains and losses are amortized over the expected average remaining service lifetime of active employees covered under the plan.

The most recent valuation of the obligation was performed at August 31, 2018. The next valuation will be performed at August 31, 2019.

vi) Liability for contaminated sites

Contaminated sites are a result of contamination being introduced into the air, soil, water, or sediment of a chemical, organic, or radioactive material, or live organism that exceeds an environmental standard and the standard requires that a liability be recorded for the estimated costs of remediation. The District has determined that there is no liability for contaminated sites as no such liabilities have been ascertained.

vii) Asset retirement obligations

Asset retirement obligations represent legal obligations associated with the retirement of a tangible long-lived asset that result from its acquisition, construction, development or normal operation. The District has determined that there is no asset retirement obligation liability as the District has no identifiable asset retirement obligations.

August 31, 2018

viii) Operating and capital reserves

Certain amounts are internally or externally restricted for future operating or capital purposes. Transfers to and from reserves are recorded when approved by the Board of Trustees. Capital reserves are restricted to capital purposes and may only be used for operating purposes with approval by the Minister of Education. Reserves are disclosed in the Schedule of Changes in Accumulated Surplus.

ix) Revenue recognition

Revenues are recorded on an accrual basis. Instruction and support allocations are recognized in the year to which they relate. Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.

Eligibility criteria are criteria that the District has to meet in order to receive certain contributions. Stipulations describe what the District must perform in order to keep the contributions. Contributions without eligibility criteria or stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity. Contributions with eligibility criteria but without stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity and all eligibility criteria have been met.

Contributions with stipulations are recognized as revenue in the period the stipulations are met, except when and to the extent that the contributions give rise to an obligation that meets the definition of a liability in accordance with *PSAS* Section 3200- Liabilities. Such liabilities are recorded as deferred revenue. The following items fall under this category:

- Non-capital contributions for specific purposes are recorded as deferred revenue and recognized as revenue in the year the stipulated related expenses are incurred;
- Unexpended deferred capital revenue; or
- Expended deferred capital revenue.

x) Contributed services

Volunteers contribute a considerable number of hours per year to schools to ensure that certain programs are delivered, such as kindergarten, lunch services and the raising of school generated funds. Contributed services are not recognized in the financial statements.

xi) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Allocation of Costs

- Alberta Teachers' Pension costs are allocated based on each programs' proportional share of total certificated salaries. A matching amount is recorded in each program's revenue from Alberta Education.
- Supplies and services are allocated where applicable based on actual program identification.

August 31, 2018

xii) Pensions

Pension costs included in these statements comprise the costs of employer contributions for current service of employees during the year.

The current service and past service costs of the Alberta Teachers' Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the *Teachers' Pension Plan Act*, the District does not make pension contributions for certificated staff. The Government portion of the current service contribution to the Alberta Teachers' Retirement Fund on behalf of the District is included in both revenues (Alberta Education), and expenses (certificated benefits) in the financial statements.

For the year ended August 31, 2018, the amount contributed to the Alberta Teachers' Retirement Fund by the Province for the District's certificated staff was \$25,517,576 (2017 - \$24,966,573).

The District participates in the Local Authorities Pension Plan (LAPP), a multiemployer, defined benefit pension plan, and does not report on any unfunded liabilities. The expense recorded by the District for this pension plan is the annual contributions of \$18,461,345 for the year ended August 31, 2018 (2017 - \$18,035,109).

At December 31, 2017, the LAPP reported a surplus of \$4,835,515,000 (2016 - deficiency of \$637,357,000). Effective for year-ends starting in 2008-2009, the Government of Alberta has taken responsibility for the LAPP unfunded liabilities.

xiii) Program reporting

The District's operations have been segmented as follows:

- **ECS Instruction**: The provision of Early Childhood Services education instructional services that fall under the basic public education mandate.
- Grade 1-12 Instructions: The provision of instructional services for grades 1-12 that fall under the basic public education mandate.
- **Plant Operations and Maintenance**: The operation and maintenance of all school buildings and maintenance shop facilities.
- Transportation: The provision of regular and special education bus services (to and from school), whether contracted or board operated, including transportation facilities.
- **Board & System Administration**: The provision of board governance and system-based/central office administration.
- External Services: All projects, activities, and services offered outside
 the public education mandate for ECS children and students in grades
 1-12. Services offered beyond the mandate for public education are to be
 self-supporting, and Alberta Education funding may not be utilized to
 support these programs.

August 31, 2018

Revenues and expenses are reported by program on the Schedule of Program Operations. Respective instruction expenses include the cost of certificated teachers, non-certificated teaching assistants as well as, supplies and services, school administration and instruction support, and System Instructional Support.

xiv) Trusts under administration

The District has cash that has been transferred to it to be administered or directed by a trust agreement or statute. The District holds title to the property for the benefit of the beneficiary.

Trusts under administration have been excluded from the financial reporting of the District. Trust balances are disclosed in Note 14.

xv) Other non-financial assets

Other non-financial assets include inventories which are recorded at the lower of cost and net realizable value. Net realizable value is defined as the estimated selling price less estimated selling costs. Cost is determined using the average cost method.

xvi) Funds collected by schools

Funds generated from school activities are included with the assets, liabilities, revenue and expenses of the District as accountability and control of these funds rests with the District.

xvii) Financial instruments

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The District recognizes a financial instrument when it becomes a party to a financial instrument contract.

Financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities and debt. Unless otherwise noted, it is management's opinion that the District is not exposed to significant credit and liquidity risks, or market risk, which includes currency, interest rate and other price risks.

All the District's financial assets and liabilities are recorded at cost or amortized cost and the associated transaction costs are added to the carrying value of items in the cost or amortized cost upon initial recognition. The gain or loss arising from derecognition of a financial instrument is recognized in the statement of operations. Impairment losses such as write-downs or write-offs are reported in the statement of operations.

xviii) Measurement uncertainty

The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates. Significant areas requiring the use of management estimates relate to the potential impairment of assets, rates for amortization and estimated employee future benefits.

August 31, 2018

xix) Change in accounting policy

The District has prospectively adopted the following standards from September 1, 2017:

- PS 3210 Assets there was no impact on the financial statements ended August 31, 2018
- PS 3320 Contingent Assets there was no impact on the financial statements ended August 31, 2018
- PS 3380 Contractual Rights reflected in Note 17
- PS 2200 Related Party Disclosures reflected in Note 16
- PS 3420 Inter-Entity Transactions there was no impact on the financial statements ended August 31, 2018

xx) Future accounting changes

• PS 3430 Restructuring Transaction (effective April 1, 2018)

This standard provides guidance on how to account for and report restructuring transactions by both transferors and recipients of assets and/or liabilities, together with related program or operating responsibilities.

• PS 3450 Financial Instruments (effective April 1, 2021 as amended in March 2018)

Adoption of this standard requires corresponding adoption of PS 2601 Foreign Currency Translation, PS 1201 Financial Statement Presentation, and PS 3401 Portfolio Investments in the same fiscal period. These standards provide guidance on: recognition, measurement and disclosure of financial instruments; standards on how to account for and report transactions that are denominated in a foreign currency; general reporting principles and standards for the disclosure of information in financial statements; and how to account for and report portfolio investments.

PS 3280 Asset Retirement Obligations (effective April 1, 2021)

This standard provides guidance on how to account for and report a liability for retirement of a tangible capital asset.

PS 3400 Revenues (effective April 1, 2022)

This standard provides guidance on how to account for and report revenues.

Management is in the process of assessing the impact, if any, of these standards on the financial statements.

August 31, 2018

3. Cash and cash equivalents

Cash and cash equivalents include a \$200,000 (2017 - \$200,000) deposit in a share account at a Credit Union. Interest earned on this account for the year ended August 31, 2018 totaled \$7,000 (2017 - \$7,000) and is included in investment income.

The District provides retirement allowance plans to certain groups of active employees. These active employees are entitled to a retirement allowance based on the number of years of service at retirement or at termination or end of contract where applicable. Funding is provided when the retirement allowances are paid and accordingly, there are no plan assets. However, the District has provided for the payment of these benefits.

An actuarial valuation was performed as at August 31, 2018 for certain groups of employees which comprised of the majority of the retirement allowances. The amount of this valuation is included in the total of retirement allowances. The valuation and assumptions are as follows:

14. Trusts under administration

These balances represent mainly cash held in trust on behalf of the Regional Collaborative Service Delivery (RCSD), cash held to fund scholarships and cash held for the Deferred Salary Leave Plan. The RCSD was created so that school-aged children in Edmonton, in particular those with special needs, have access to culturally-responsive health and related support services they need to participate in their school programs and attain their potential. The District was appointed banker for the RCSD and is responsible for distributing the cash in accordance with the wishes of the RCSD. These cash balances are not recorded on the statements of the District.

15. Economic dependence on related third party

The District's primary source of income is from the Alberta Government. The District received allocations from Alberta Education, a related party. The District's ability to continue viable operations is dependent on this funding. In the current year, \$477,042,233 or 92.7% (2017 - \$452,167,957 or 92.6%) of operating revenue was recognized from the Government of Alberta. Included in accounts receivable at August 31, 2018 was \$1,137,126 (2017 - \$351,426) related to this revenue (Note 4).

In the current year, \$68,148,560 or 13.2% (2017 - \$64,136,232 or 13.1%) of operating revenue was recognized from the City of Edmonton supplementary requisition of municipal taxes from Catholic rate payers. Included in accounts receivable at August 31, 2018 is \$11,238,288 (2017 - \$10,689,372) related to this revenue (Note 4).

August 31, 2018

16. Related party transactions

Related parties are entities consolidated or accounted for on a modified equity basis in the Government of Alberta Consolidated Financial Statements. Related parties also include key management personnel in the District and their close family members.

All entities that are consolidated in the accounts of the Government of Alberta are related parties of school jurisdictions. These include government departments, health authorities, post-secondary institutions and other school jurisdictions in Alberta.

The District is related to the Edmonton Catholic Schools Foundation by virtue of providing significant financial support and representation on the board of the Foundation.

The Foundation was established in 2013 with a mission to raise public awareness concerning the benefits of and to enhance the funding for Catholic education in the City of Edmonton. The Foundation was incorporated under the *Companies Act* of the Province of Alberta. Under the provisions of the *Income Tax Act*, the Foundation is exempt from income tax.

The Foundation is not a controlled entity and has not been consolidated with the District's financial statements.

The District had the following related party transactions for the year ended August 31, 2018.

| | Bala | ances | Transactions | | |

During the year, capital allocations of \$19,820,320 (2017 - \$80,214,655) were received from Alberta Education.

August 31, 2018

Maintenance costs totaling \$609,764 (2017 - \$628,855) related to the four schools constructed under the Alberta Schools Alternative Procurement (ASAP) project were paid by Alberta Education and are recorded as an increase in revenue from Alberta Education and an increase in services, contracts and supplies expense included in plant operations and maintenance.

17. Contractual rights

Contractual rights are rights of the District to economic resources arising from contracts or agreements that will result in both assets and revenues in the future when the terms of those contracts or agreements are met.

| | <u>2018</u> | <u>2017</u> |
|--|--------------|--------------|
| Contractual rights from operating leases * | \$ 3,361,836 | \$ 4,262,575 |

| Contractual rights from joint use agreement | 300,000 | 140,000 |
| Total | \$ 3,661,836 | \$ 4,512,575 |

- * Operating leases include \$212,119 (2017 \$212,119) with an Other Government of Alberta Department.
- ** Service agreement relates to another Alberta school jurisdiction

The estimated amounts that will be received or receivable under these agreements are as follows:

| | Operating Leases | Joint Use Agreement | <u>Total</u> |
|-------|------------------|---------------------|--------------|
| 2019 | \$ 2,999,458 | \$ 140,000 | \$ 3,139,458 |

| Total | \$ 3,361,836 | \$ 300,000 | \$ 3,661,836 |

The Joint Use Agreement is an arrangement between the City of Edmonton and various School Boards including the District regarding the shared use of City facilities, sport fields and school facilities to maximize benefit to both students and citizens of the City of Edmonton.

18. Contractual obligations

The District has commitments relating to various operating lease, service and construction contracts under which the District will be required to make annual payments. The estimated minimum annual payments required under these agreements are as follows:

| | <u>Services</u> | <u>Construction</u> | <u>Leases</u> | <u>Total</u> |
|------|-----------------|---------------------|---------------|----------------------------|
| 2019 | \$ 34,276,603 | \$ 11,484,950 | \$ 435,988 | \$ 4 6,197 ,541 |

August 31, 2018

The District made a commitment to the City of Edmonton regarding a sports facility ("the Facility") in west Edmonton. The District will make an annual operating contribution to cover the operating costs of the Facility equal to 30% of the total usage of the Facility by the District. The District will provide additional operating contributions if the actual expenditures of the Facility exceeded the annual operation contributions and the District will be reimbursed if the actual expenditures are less than the annual operating contributions. The District also committed to 22% of the cost of major/life cycle maintenance of the Facility if there are insufficient funds in the Facility's reserve account. The reserve account is maintained by the City of Edmonton and funded from any surpluses from the Facility's operations. The agreement expires September 16, 2038.

The District entered into an agreement for the purchase of electricity at a flat rate of 5.47 cents per kilowatt hour. This agreement expires December 31, 2019.

19. Contingent liabilities

The District is involved in various claims and litigation arising in the normal course of operations. While the outcome of these matters are uncertain and there is no assurance that such matters will be resolved in the District's favour, the District does not currently believe that the disposition of claims presently outstanding will be significant to the overall financial position of the District. Therefore, no provision for these claims and litigation has been included in these financial statements. None of these contingent liabilities involve related parties.

21. Prior period reclassification adjustment

For the year ended August 31, 2017 the District has reclassified balances related to the classification of non-certificated salaries and wages and services, contracts and supplies for Plant Operations and Maintenance (POM). Management identified certain inconsistencies in the recording of internal recovery charges related to maintenance work performed by the District's employees in POM. For the August 31, 2017 year end, the impact was an increase of \$2,971,852 in non-certificated salaries and wages for POM and a decrease of \$2,971,852 in services, contracts and supplies in POM. This reclassification had no effect on the excess of revenues over expenses for the year previously reported.
