Edmonton Catholic School Division Alberta Education Assurance Measure Results Report Overall Summary Fall 2022

Alberta Education's Assurance Framework came into effect on September 1st, 2020, replacing the previous Accountability Pillar Framework. Alberta Education's Assurance Framework is about building public trust and confidence that the education system is meeting the needs of students and enabling their success. Alberta Education has provided school authorities in Alberta with Assurance Measure Results Reports based on the Assurance Framework. The *Alberta Education Assurance Measure Results Report* aligns with the *Alberta Education Assurance Framework* as well as the *Division Plan for Continuous Growth*.

The *Required Alberta Education Assurance Measures - Overall Summary Fall 2022* document provides results for twelve Assurance Measures within four Assurance Domains (please see page 6 for details):

Assurance Domain	Assurance Measure
Student Growth and Achievement	• Student Learning Engagement • Citizenship • 3-year High School Completion • 5-year High School Completion • PAT: Acceptable • PAT: Excellence • Diploma: Acceptable • Diploma: Excellence
Teaching and Leading	• Education Quality
Learning Supports	• Welcoming, Caring, Respectful, and Safe Learning Environments (WCRSLE) • Access to Supports and Services
Governance	• Parental Involvement

In Spring 2022, Alberta Education updated results for eight of the Assurance Measures. These Assurance Measures included: Student Learning Engagement; Citizenship; 3-year High School Completion; 5-year High School Completion; Education Quality; Welcoming, Caring, Respectful, and Safe Learning Environments (WCRSLE); Access to Supports and Services; as well as Parental Involvement. In Fall 2022, Alberta Education updated results for four of the Assurance Measures. These Assurance Measures included: PAT Acceptable; PAT Excellence; Diploma Acceptable; and Diploma Excellence.

Each Assurance Measure is evaluated both on achievement (comparison against fixed provincial standards) and improvement (comparison against previous performance). An overall evaluation for each Assurance Measure is made by combining both the achievement and improvement results. As 2020/2021 was a pilot year for the new Alberta Education Assurance Survey and participation was impacted by the COVID-19 pandemic, caution should be used when interpreting survey results over time. It is important to note that Alberta Education has not calculated achievement, improvement, and overall evaluations for many of the Assurance Measures due to the application of the updated methodology and the impact of the COVID-19 pandemic.

The COVID-19 pandemic impacted the January 2022 Diploma Examination administration as well as participation in the Provincial Achievement Tests (PATs) and Diploma Examinations in 2019/2020 and 2020/2021. Consequently, results for the 2019/2020 and 2020/2021 school years are not available for the PATs or Diploma Examinations. In addition, security breaches occurred over the last few days of the 2021/2022 PAT administration window. To maintain the validity and comparability of provincial results, students most likely impacted by these security breaches have been excluded from the provincial cohort. However, all students have been included in school and school authority reporting. In the absence of the Diploma Examinations, the achievement level of diploma courses was determined solely by school-awarded marks. As a result, caution should be used when interpreting High School Completion Rates, Provincial Achievement Test results, and Diploma Examination results over time.

In addition to this report, Division results are also available on the Division Assurance Dashboard located on the Division public website. Individual school reports are also available to each Principal. The school reports are used by school staff and School Councils in preparing their *School Plan for Continuous Growth*. School results are also available on the School Assurance Dashboards located on the school public websites.

For each of the four Assurance Domains, the Assurance Measure results from the *Alberta Education Assurance Measure Results Report* are provided below.

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
2. Caution should be used when interpreting high school completion rate results over time, as participation in the 2019/20 and 2020/21 Diploma Exams was impacted by the COVID-19 pandemic. In the absence of Diploma Exams, achievement level of diploma courses were determined solely by school-awarded marks.
3. Participation in the Provincial Achievement Tests and Diploma Exams was impacted by the fires in 2018/19, as well as by the COVID-19 pandemic in 2019/20, 2020/21 and the January 2022 Diploma Exam administration. 2019/20, 2020/21 and 2021/22 are not included in the rolling 3-year average. Caution should be used when interpreting trends over time.
4. Aggregated PAT results are based upon a weighted average of percent meeting standards (Acceptable, Excellence). The weights are the number of students enrolled in each course. Courses included: English Language Arts (Grades 6, 9, 9 KAE), Français (6e et 9e année), French Language Arts (6e et 9e année), Mathematics (Grades 6, 9, 9 KAE), Social Studies (Grades 6, 9, 9 KAE).
5. Security breaches occurred over the last few days of the 2021/22 PAT administration window. Students most likely impacted by these security breaches have been excluded from the provincial cohort. All students have been included in school and school authority reporting. Caution should be used when interpreting these results.
6. Aggregated Diploma results are a weighted average of percent meeting standards (Acceptable, Excellence) on Diploma Examinations. The weights are the number of students writing the Diploma Exam for each course. Courses included: English Language Arts 30-1, English Language Arts 30-2, French Language Arts 30-1, Français 30-1, Mathematics 30-1, Mathematics 30-2, Chemistry 30, Physics 30, Biology 30, Science 30, Social Studies 30-1, Social Studies 30-2.
